PARAQUAT HERBICIDE LINKED TO PARKINSON'S!

If you or a loved one had direct exposure to paraquat dichloride (Paraquat) after 1964 and were later diagnosed with Parkinson's Disease or neurological damage, the trial lawyers of Kelley & Ferraro, LLP can help determine if you have a legal claim to compensation.

Symptoms may include, but are not limited to:

Muscle stiffness

Hand tremors

Impaired speech and writing

Stooped posture

Loss of balance and/or
difficulty to move and walk

Difficulty with automatic
movements such as smiling
and blinking

Hallucinations

Delusions

Incontinence

Common occupations with exposure to Paraquat:

Farmers and agriculture
workers

Main-line railroad workers

Groundskeepers

Gardeners

Maintenance workers

Find out if you're
due compensation.
